All-Stars at Homerun Hitters
Soap at Grand Slammers
Little Rascals at Foam
Chaos Lite at Smack Attack
BYE at Zoom

Week 9 Pizza Party & Awards

18-Aug

Sandlot 2009 Summer Hitting League Summary (Week 5)

Overall Summary:

Now that we have completed week #5 of the 2009 Summer Hitting League a number of great competitions are shaping up. In the boys 11U baseball division there are two teams tied at 4-1 while in the girls 11U softball division there are three teams tied with 3-1 records. Seven (7) of Twenty-One (21) hitters (about 33%) achieved their personal high scores this past week. We typically see this type of improvement by hitters in each hitting league we have hosted. Typically, each week, 20% to 30% of the total hitters achieve their personal bests. The guys and girls maintained that record again this past week. Great Job!

Junior Bracket Summary:

Homerun Hitters defeated Grand Slammers 57-38. Homerun Hitters pushed their record to a league leading 4-1. Jahlin Jean-Baptiste tied his personal best for the Grand Slammers in the loss. Blue Thunder defeated All-Stars 62-46 to remain tied with Homerun Hitters for the division lead. All-Stars dropped a game off the pace with the loss. Soap got their first win (after inheriting an 0-3 record as the former BYE team) in two weeks of real games with a 59-31 victory over Blue Lightning. Newcomers, Ashton Engebretsen, Matthew Newell, and Mike Cybert all achieved their personal bests in the battle.

Freshmen Bracket Summary:

The Freshmen division hit entirely off the machines this week. Travis Garnett set a new personal best for the second consecutive week. Andy Potter did another fine job of hitting while Evan Groh held his team together in the absence of his teammate Nathan Shifflett.

Softball Summary

Zoom ran their record to 3-1 with an 89-73 victory over Smack Attack. Claudia Mencia hit for all eight innings for Smack Attack but fell just short after a great effort. Abby Rubeling continued her awesome hitting with a 60 point individual performance. Little Rascals defeated Chaos Lite 80-49. Jamie Bahrijczuk had her personal best for the winning team. Little Rascals remains tied at the top of the division at 3-1. Foam also ran their record to 3-1 with the BYE week victory. Rachel Oliver didn't take the week off, however, as she had her personal best score for the season so far. The girls softball division is shaping up to go down to the wire during these last three weeks of competition.

C.H.A.M.P.S. Summary:

C.H.A.M.P.S. stands for **Coachable, Honor, Attitude, Mentor, Perseverance, Sportsmanship**. These are the character traits that we stress in Sandlot programs in developing well rounded student-athletes. During Week #5, the C.H.A.M.P.S. focus was on the **Mentor** trait. A **Mentor** is someone who leads others by setting a good example. It is one of the most important C.H.A.M.P.S. character traits for any young player. The C.H.A.M.P.S. letter during week #5 goes to Matthew Newel in only his second week of competition. Matthew set a great example during his match as he maintained a very positive attitude and encouraged both his teammate and his opponent. A great exhibition of **Mentoring** was exhibited by Matthew. Congratulations!
